AIMS International is specialised in fulfilling the individual requirements of its clients – efficiently, and creatively, in the shortest possible time, with maximum flexibility and the highest level of personal commitment.

Our international contacts provide an ideal coverage of the different continents, allowing us to work together with local companies who are familiar with the destination and are well known to us.

#### **Your aims are our AIMS - Achievement**

Our Values

- RESPECT
- RELIABILITY
- PROFESSIONALISM
- TRANSPARENCY
- DEDICATION
- EXCELLENCE
- INTEGRITY

We were amongst the first established enterprises in the early stages of incentive and motivation business in Europe and pride ourselves to have kept a leading position in this field for more than 29 years.

AIMS has been working with main European pharmaceutical, Motor ,IT- and software as well as assurance companies based on Congress, Corporate meetings, Incentives, Delegate management for International Congresses, Product launches and Kick Off Meetings.

Referring to pharmaceutical industry business, AIMS International Meeting Planners are working on a regularly base with AstraZeneca, Biogen Idec, PRA International, and Novartis Pharmaceuticals and with a few others on time to time base.
