**abcn austrian business and convention network**

Austria is esteemed as holiday destination across the globe for variety of landscapes, rich history and culture, proverbial hospitality, excellent cuisine and not least for outstanding quality. Its diverse and specialised offers as well as tourism expertise and location in the heart of Europe make Austria an attractive destination for congress & incentive organisers.

**abcn austrian business and convention network**

is the dedicated department of the Austrian National Tourist Office with the sole aim to pro-actively promote Austria and work closely with conference, incentive and event planners.

**abcn austrian business and convention network**

**abcn** is a department of the Austrian National Tourist Office and your competent partner specialised on Austria for meetings, incentives, conventions and events.

**abcn** is your independent, neutral and non-commercial partner in the meeting, incentive, convention and event destination Austria.

**abcn** assists you in planning congresses, conferences, meetings, incentives and events in Austria.

**abcn** provides you with consultation across Austria in the search for and selection of a suitable event venue.

**abcn** assists you in the organisation of customised site inspections.

**abcn** is your contact to Austrian suppliers - congress and conference centres, hotels, agencies - to receive offers in response to your inquiries.

**abcn** is your source of information for inquiries regarding professional service providers such as interpretation services, event technology, etc.

**abcn** is always in your vicinity - the specialists at the Head Office in Vienna and at the Austrian National Tourist Office branches worldwide are always at your service.

**...and all this free of charge, of course!**
