Niederösterreich is the Land of Epicures – offering wine, culture and hospitality as well as venues that can turn every event into a pleasurable experience. It is also a place of diverse landscape, boasting high mountains, broad plains and the world famous "Blue Danube".

Niederösterreich is the vast domain round Vienna and has an excellent transportation infrastructure. Vienna International Airport also makes its most appealing rural regions readily accessible to visitors from abroad. This region lies in the heart of Europe and is a neighbour of Slovakia, Hungary and the Czech Republic.

The 42 Top-Partners of the Convention Bureau comprise conference centers for up to 2.000 delegates, both in historical buildings and high tech venues, top range hotels – from traditional Austrian resorts to designer spas and unusual event locations such as monasteries, castles or even archaeological sites.

The Convention Bureau Niederösterreich is your competent partner for assistance with meetings, incentives, conventions and events. We refer you to qualified service providers and inform you about the advantages of our 42 Top-Partners as well as the features of the whole of Niederösterreich. We help you in finding the perfect location for your event and are able to provide you with a multitude of creative incentive ideas. We also guarantee for best quality, as only top firms with best equipment and infrastructure are partners of the Convention Bureau Niederösterreich.
